

# Care & Warranty

## Care and Maintenance

Fabrix is manufactured to the highest standards and are designed to offer excellent performance and longevity. Most fabrics can be cleaned using a lint roller. All fabrics should be maintained by following the manufacturer's care and maintenance instructions.

## Lifetime Warranty

All products are warranted against material and workmanship defects. Fabrix remains in good condition unless damaged by unofficial installation methods, mechanical impact or unfavourable environmental factors. To learn more about our Lifetime Warranty, visit [www.fabrix.com/warranty](http://www.fabrix.com/warranty).
